## GATHERINGS OF MORE THAN TEN NOT ALLOWED

Thursday, March 19, 2020

In light of Prime Minister Dr Keith Rowley's announcement at a post-Cabinet media briefing on, Wednesday, March 18, 2020, the Roman Catholic Archdiocese of Port of Spain is now updating its stance on COVID-19.

Effectively immediately, all **weddings, funerals and wakes should be limited to 10 or fewer participants with abridged versions of the liturgy** in order to most effectively maintain the "social distancing" called for by government officials and health care experts.

The Archdiocese of Port of Spain will continue to keep all apprised of updates via **facebook.com/catholictt** or the *Catholic News*.

All are urged to be responsible and follow the guidelines as set out by Church and State.

*Archbishop of Port of Spain*
