The specific mission of Catholic Education is the integral formation of the human person. Children and young people must be guaranteed the possibility of developing harmoniously their own physical, moral, intellectual and spiritual gifts, and they must also be helped to develop their sense of responsibility, learn the correct use of freedom, and participate actively in social life (cf. c. 795 Code of Canon Law).

Declaration

Having read the description of the role of a Catholic Teacher in a Catholic School in the Archdiocese of Port of Spain (*The Teacher in a Catholic School in The Archdiocese of Port of Spain*) I hereby declare that I understand what is required of me as a teacher in a Catholic school.

I agree to participate in all CEBM activities (professional and religious) that develop my ability to serve my students so that, linked in charity to my fellow teachers and to my students and endowed with an apostolic spirit, I will, by my life as much as by my instruction bear witness to Christ, the unique Teacher.
