POLICY ON THE USE OF PROPERTIES OWNED AND MANAGED BY THE CATHOLIC EDUCATION BOARD OF MANAGEMENT

Introduction

The **CEBM** in keeping with its mandate to revitalize Catholic Education and remain in touch with schools, wishes to provide clear cut polices for the use of School Properties.

Policy Statement

The CEBM recognizes the use of its schools for the purpose of Education for which they were established together with extra and co-curricular programmes that form part of the activities outside of the normal school day. The CEBM seeks to promote such community activities **providing that such activities do not conflict with the ideals of the Catholic Church** since schools are centers of evangelization for the church.

The policy applies to all external training provided, inclusive of craft, extra lessons, remedial and adult education programmes that wish to use the school and its facilities to conduct classes **outside regular school hours**.

The policy also applies to all external to non-educational and non-commercial uses of the school by any external party whatsoever, for community activities and includes, but is not limited to, camps, national elections, sporting events, fetes, concerts, exhibitions and for national emergencies, where the school facilities may be used as shelters.

Policy Date

The Policy shall take effect from June 30th 2009.
